### **Section A:**

The parties recognize the importance of regular communications between themselves. To this end, the Chancellor or the Chancellor's designee(s) and Union representatives, not to exceed five (5) representatives from each of the parties, shall hold regular meetings at least quarterly, during regular working hours, to discuss system-wide policies and problems relating to the implementation of this Agreement. Either party may submit times for discussion. Once a date for a meeting has been mutually agreed upon, agendas will be exchanged between the parties, at least seven (7) work days prior to the meeting. If neither party submits an agenda, the meeting shall be considered cancelled by mutual consent.

### **Section B:**

Grievances that may be processed through the negotiated grievance procedure, contained in this Agreement, shall not be discussed as agenda items at these meetings.

## **ARTICLE XVI: DUES CHECK-OFF**

### **Section A:**

1. DCPS shall provide assistance to the Union and Office of Labor Relations and Collective Bargaining to facilitate the deduction of Union dues from the employee's biweekly pay upon an employee's submission of a dues deduction request to the Office of Labor Relations and Collective Bargaining. The Union shall be the only employee organization during the life of this Agreement eligible to use payroll deductions for membership dues and services.
2. The amount to be deducted shall be certified to DCPS, with a copy to the Office of Labor Relations and Collective Bargaining, in writing, by the appropriate official of District Council 20. The employee and the Union will bring errors or changes to the employee's status to DCPS promptly after discovery.
3. In keeping with the principle that employees who benefit from this Agreement should share in the cost of administration, it shall be a condition of employment that all bargaining unit employees pay either Union dues or a service fee. The amount of both dues and fees shall be established by

the Union. It is agreed that service fees shall not exceed amounts permissible under applicable law. The service fee deduction provision of this Article shall become operative when the Union presents evidence that at least fifty-one percent (51%) of the employees in the bargaining unit are members of the Union.

4. The Union will notify employees in writing of their rights under *Chicago Teachers Union v. Hudson*, 475 U.S. 292 (1986), and related cases.

#### **Section B: Indemnification**

The Union shall indemnify, defend and otherwise hold the Employer harmless against any all mistakes, claims, demands, omissions, timely deductions made or not made, and other forms of liability, which may arise from the operation of this Article. In any case in which a judgment is entered against the Employer as a result of the deduction of dues or other fees, the amount held to be improperly deducted from an employee's pay and actually transferred to the Union by the Employer, shall be returned to the Employer or conveyed by the Union to the employee(s), as appropriate. Should an employee pursue a claim for recovery of any monies under this Article, it shall be a matter solely between the Union and the employee.

### **ARTICLE XVII: GRIEVANCE AND ARBITRATION PROCEDURES**

#### **Section A: General**

1. The parties jointly desire to reduce the number of grievances and to promote labor-management cooperation as a means to achieve improved service. Toward this end, it is agreed that a joint committee will be named to stream-line the procedure and to recommend ways to harmoniously and fairly settle day-to-day problems.
2. Whenever a grievance arises that involves more than one grievant, or pertains to a condition affecting a significant number of grievants, that grievance may be initiated and processed by the Union rather than by any individual, provided that the Union secures permission from all affected grievants.
3. If the Union is not a party to a grievance, the disposition of the grievance will not be regarded as establishing any precedent.
4. No matter shall be entertained as a grievance unless it is raised by the grieving employee within ten (10) work days after the event giving rise to the grievance.
5. Once a grievance has been filed, it may not be altered except that the grievant may delete items from the grievance.
6. All time limits set forth in this Article may be extended by mutual consent, but if not so extended, they must be strictly observed. However, if a party fails to pursue any step within the time limits provided, the party shall have no further right to pursue the grievance.
7. No hearing at any phase of the grievance procedure shall be open to the public or persons not immediately involved, unless all parties agree.

8. Any hearing provided for under this Article shall be conducted during the work day and in locations accessible to all relevant parties. No witnesses shall be admitted to such hearings unless their relevance to the case has been previously established. Such witnesses shall be present at the hearing only when their personal testimony is being presented. When hearings are held during school hours, employees required to be present shall be excused with pay for that purpose.
9. No recording device shall be utilized either at Step 1 or Step 2 of this procedure. No person shall be present at any of these steps for the purpose of recording the discussion. At Step 3 of this procedure, no recording device, other than that utilized by the District of Columbia Public School's designee, shall be utilized and no person other than the District of Columbia Public School's designee shall be present for the purpose of recording the discussion.
10. In the event a witness is unable to testify in person for a Step 3 hearing or Step 4 arbitration, the Union and the District of Columbia Public Schools agree that the witness may testify remotely, using available videoconferencing technology.

### **Section B: Definition**

1. A grievance is defined as an unsettled complaint filed by a member or the Union on behalf of its member(s) concerning any alleged violation, misinterpretation, or misapplication of any of the provisions of the Agreement. A difference or dispute not involving the meaning, application or interpretation of the terms and provisions of this Agreement shall not constitute a grievance for the purpose of this Article, but may be addressed through other appropriate administrative or legal procedures.
2. The grievance procedure shall not be available to probationary employees as defined in Title 5-E, Section 1307 of the District of Columbia Municipal Regulations, who may be terminated within their first year of employment.

### **Section C: Presentation of Grievances**

This procedure is designed to enable the parties to settle grievances at the lowest possible administrative level.

### **Section D: Categories of Grievance**

1. Personal. A grievance of a personal nature requires the signature of the aggrieved employee at Step 2 of this procedure, even if the grievant is represented by his or her Union. In the case of an individual grievant proceeding without Union representation, the Union must be given an opportunity to be present and to offer its views at any meeting held to adjust the grievance.
2. Group. A grievance that involves a number of employees in the bargaining unit, and that may be filed at whatever step a resolution is possible.
3. Class. A grievance that involves all the employees in the bargaining unit, and that filed and signed by the Union President or designee directly at Step 3 of this procedure. Grievances so filed will be processed only if the issue raised is common to all unit employees. A class grievance must contain all information specified in Section F, step 2 of this procedure. The Chancellor or his or her designee shall respond in writing within ten (10) work days of receipt.

## **Section E: Who May Grieve**

Either an employee or the Union may raise a grievance, and if raised by an employee, the Union may associate itself therewith at any time if the employee so desires. Whenever the Union shall raise or be associated with a grievance under this procedure, such a grievance shall become the Union's grievance with the Employer. If raised by the Union, an employee may not thereafter raise the grievance himself or herself; and if raised by the employee, he or she may not thereafter cause the Union to raise the same grievance independently.

## **Section F: Procedural Steps**

**Step 1:** The aggrieved employee (with or without his or her Union representative) and/or the Union shall in writing present and discuss the grievance with the employee's immediate supervisor, within ten (10) work days of the occurrence of the event giving rise to the grievance, or the date the occurrence or event becomes known to the employee or Union.

The immediate supervisor is to make a decision on the grievance and communicate the decision to the employee or to the Union, or to the representative in writing, within five (5) work days from the presentation of the grievance. If the supervisor fails to respond within five (5) work days or the employee or Union is dissatisfied with the response, s/he may present the grievance to his or her supervisor's supervisor. The supervisor's supervisor shall have five (5) work days after receiving the grievance to provide a written response. If the supervisor's supervisor fails to respond within five (5) work days or the employee or Union is dissatisfied with the response, he or she may present the grievance to Labor Management & Employee Relations (LMER).

**Step 2:** Within ten (10) work days of the deadline for the supervisor to respond, if the grievance is not resolved to the grievant's satisfaction or the supervisor has not responded, the grievant or the Union shall submit a signed written grievance with Labor Management and Employee Relations (LMER). This specific Step 2 grievance shall be the sole and exclusive basis for all subsequent steps. The grievance at this step and every further step shall contain:

- a. A statement of the specific provision(s) of the Agreement alleged to be violated;
- b. The date(s) on which the alleged violations occurred;
- c. The manner in which the alleged violation(s) occurred;
- d. The specific remedy or adjustment sought;
- e. Authorization by the employee or Union representative, if desired;
- f. The signature of the aggrieved employee or the Union representative, according to the category of the grievance.

Should the grievance not contain the required information, the grievant/Union shall be so notified in writing and granted the opportunity to resubmit the grievance within three (3) work days of such notice.

Within fifteen (15) work days of receipt of the written grievance, LMER shall conduct a meeting with the grievant for a full review of the acts relevant to the event and issue a written decision within thirty (30) work days following the meeting.

**Step 3:** If the grievance remains unsettled, the employee and/or Union may submit the grievance to the Chancellor, or his or her designee within 10 work days of LMER's response. The Chancellor, or his or her designee, and those s/he may further name, shall meet with the Union, and with the persons referred to in the prior grievance steps, and the Chancellor or designee shall render a decision, in writing, within ninety days of such meeting. This meeting shall take the form of a hearing, before a neutral hearing officer during the course of which all parties are afforded the opportunity to present evidence, witnesses, and arguments in support of their respective position(s). The hearing officer shall submit his or her decision to the parties and the decision is binding absent a request for arbitration by either party.

**Step 4:** Excepting provisions of this Agreement that are matters of policy, if either party is dissatisfied with the Step 3 decision, such party may request arbitration of the dispute in writing as follows: Within ten (10) work days from receipt of the Chancellor's response, the Union or DCPS shall advise the other party in writing whether it intends to request arbitration on the matter. Should a party request arbitration, such request shall include a statement setting forth grounds therefore consistent with step 2, to be decided by the arbitrator. Only the Union or management can submit a matter to arbitration.

## **Section G: Arbitration**

### 1. Selection of an Arbitrator

- a. Within ten (10) work days from receipt of the Chancellor's Step 3 response, the Union shall request the Federal Mediation and Conciliation Service (FMCS) or the American Arbitration Association (AAA) to refer a panel of seven (7) impartial arbitrators. The request shall require the FMCS or AAA to refer only arbitrators whose primary offices are located in the District of Columbia or a contiguous jurisdiction in Virginia (Alexandria, Arlington, or Fairfax Counties, or wholly incorporated municipalities within those counties) or Maryland (Montgomery or Prince Georges Counties, or wholly incorporated municipalities within those counties). When either party requests a panel, the FMCS or AAA shall be provided with the name and address of the Office of Labor Relations and Collective Bargaining as the representative of the Employer. The party requesting arbitration shall be required to bear the fees associated with the panel request and any administrative fees. After an arbitrator has been chosen in accordance with Section G(1)(b) below, the parties will return the form with the selected arbitrator noted to FMCS or AAA.
- b. The parties agree to participate in the selection of an arbitrator. Upon receipt of the FMCS or AAA panel, the parties will confer within 10 days (unless mutually extended) to select one (1) of the names on the list. Each party will alternately strike a name from the panel until one (1) remains. The privilege of first strike shall be determined by a coin toss or other mutually agreeable random method.

## **Section H: Arbitrations Generally**

1. The arbitrator shall hear and decide only one (1) grievance at each hearing.
2. The arbitration hearing shall be informal, and the rules of evidence shall not strictly apply. The arbitration will adhere to the procedure and rules of the FMCS.
3. The hearing shall not be open to the public.

4. Witnesses shall be sequestered upon request of either party.
5. Either party has the right to an official record of the hearing, or to have a verbatim stenographic record made at its own expense. The expense for the stenographic record may be shared by mutual agreement.
6. The arbitrator's award shall be in writing and shall set forth the arbitrator's finding, reasoning and conclusion within thirty (30) work days after the conclusion of the hearing, or within thirty (30) work days after the arbitrator receives the parties' briefs, if any, whichever is later.
7. Once an arbitrator has been selected, either party may provide a copy of the Grievance Article highlighting the provisions requiring the arbitrator to render his or her decision within thirty (30) days after the conclusion of the hearing or within thirty (30) days after the arbitrator receives the briefs, if filed, whichever is later, and requests that the arbitrator confirm in writing that he or she will be able to render a decision within thirty (30) days after the stated events, as required by the parties Agreement. If the arbitrator selected cannot confirm that he or she will be able to render a decision within thirty (30) days or within a reasonable time thereafter, the parties may mutually agree to select a different arbitrator.
8. If, before the selection process begins, either party maintains that the panel of arbitrators is unacceptable, a request for a new panel from FMCS or AAA shall be made. Subsequent requests can be made until the parties receive an acceptable panel.
9. The arbitrator shall not have the power to add to, subtract from or modify the provisions of this Agreement through the award. The Arbitrator shall confine his or her award to the issue(s) presented. The Arbitrator's award shall not conflict with any provision of applicable law.
10. A statement of the Arbitrator's fees and expenses shall accompany the award.
11. The parties shall attempt to submit a joint statement of the issues or issues to the arbitrator.
12. Witness lists shall be exchanged one (1) week before the hearing date. The parties shall make good faith efforts to exchange exhibits lists one (1) week before the hearing date.

#### **Section I:**

If the Employer does not respond within the time limit specified in each Step, the employee or the Union may invoke the next Step, treating the lack of response as a denial of the grievance. If the Union does not invoke a right to escalate the grievance within the time limit specified in each Step, DCPS may treat the lack of action as a decision not to proceed with the grievance.

#### **Section J:**

The presentation and discussion of grievances shall be conducted at a time and place that will afford fair and reasonable opportunity for both parties and their witnesses to attend. Witnesses, with information deemed relevant by the Arbitrator, shall be heard. Witness(es) shall be present only for the time necessary for him/her to present evidence. When discussions and hearings required under this provision are held during the work hours of the participants, they shall be excused with pay for this purpose.

### **Section K:**

The parties shall provide current and accurate information and documentation to all requests for information reasonably related to the preparation and presentation of grievances.

### **Section L:**

All requests for information and documentation shall be made to the other party at least 20 work days before the scheduled hearing.

### **Section M:**

All time limits set forth in this Article may be extended by mutual consent, but if not so extended, must be strictly observed. If the matter in dispute is not resolved within the time period provided for in any step, the next step may be invoked unless the time period for doing so has elapsed.

### **Section N:**

Matters not within the jurisdiction of DCPS will not be processed as a grievance under this Article.

### **Section O: Grievance Mediation**

The parties agree that a process of grievance mediation may facilitate satisfactory solutions of grievances prior to arbitration. Therefore, on an experimental basis and when mutually agreed to by the parties, a mediator may be selected and utilized to facilitate settlements.

1. The mediator may not impose a settlement on the parties, and any settlement reached will not be precedential unless otherwise agreed to by the parties on a case-by-case basis.
2. Grievances may be combined for the purposes of mediation upon mutual agreement by the parties.

## **ARTICLE XVIII: CONTRACTING OUT**

When contracting out of work is being considered, DCPS shall withhold taking such action to provide the Union a reasonable opportunity for discussion of the matter, except in cases of emergency. In any such discussion, DCPS shall explain the reason why it is necessary to take the proposed action and the Union shall respond on the merits, including the suggestion of any alternative action, and DCPS will give due consideration to such suggestion before making a final decision. After consulting with the Union and considering the Union's alternative suggestions, if any, DCPS may proceed to contract out work.

## **ARTICLE XX: OPTICAL AND DENTAL BENEFITS**

### **Section A:**

The parties agree that any provision of this Agreement requiring legislative action to permit its implementation by enactment of law or by providing the additional funds in the annual operating budget therefore, shall not become effective until the appropriate body has given approval and provided the additional funds. Upon provision of such additional funds the following optical and dental benefits shall be provided:

1. **Optical Plan:** Effective the first pay period beginning after final approval of this Agreement, and for the remainder of the period that this Agreement remains in effect, DCPS agrees to provide the following amount for an optical insurance plan to be contracted for by the Union and approved by the joint DCPS-Union committee:
  - \$150.00 per year - \$5.77 bi-weekly, per participating employee, as the premium for self and family coverage.
2. **Dental Plan:** Effective the first pay period beginning after final approval of this Agreement, and for the remainder of the period that this Agreement remains in effect, DCPS agrees to provide the following amount for a dental insurance plan to be contracted for by the Union and approved by the joint Department-Union committee:

4. The benefit providers shall be responsible for program administration and shall bear all administrative costs.

5. The benefit providers shall be responsible for identifying to the DCPS, after surveying the unit employees, the names and number of employees to be carried under individual and family status. DCPS will make available to the providers appropriate records in an appropriate format to enable the provider to fulfill this requirement.
6. DCPS shall not make dual premium payments for employees who are married and are both in the bargaining units covered by this Agreement or are in another bargaining unit within the District of Columbia Government covered by the same benefit providers. Subject to DCPS' obligation to provide information as set out above, the benefit providers shall be responsible for identifying to DCPS the name of the designated employee for whom the premium is to be paid.
7. If, during the contract duration, DCPS contracts with a carrier that provides equal or better benefits, the Union will review its option to participate in such a program.
8. The plan shall be contracted for by the labor organization, subject to a competitive bidding process where bidders are evaluated and selected by the Union. DCPS shall have a representative who participates with the Union in the development, review and evaluation of the bid proposals. The Union agrees to expand the scope of the competitive bidding process to include the entire Metropolitan area. The Union agrees to document all activities in procuring plan contracts, and shall disclose such documentation upon request by DCPS. The Union's proposed contract with a plan provider shall be presented to DCPS for comment fourteen (14) days before the contract is executed. DCPS' comments and suggestions will be carefully considered. The DCPS-Union committee shall review employee utilization of the plan and investigate and recommend methods to increase utilization. The Union and the DCPS shall have the right to audit all financial records and any records which relate to the expenditure of the employer-paid premiums or procurement of the plan provider contracts. DCPS shall be permitted to recover any premiums that were improperly paid, or that were paid for employees who were ineligible to receive benefits.
10. The parties shall meet to develop procedures to implement the benefit programs, which shall be binding upon the providers.

## **ARTICLE XXI: METRO PASS**

Starting Fiscal Year 2015, DCPS shall subsidize the cost of monthly transit passes for personal use by employees by not less than twenty-five dollars (\$25.00) per month for employees who purchase and use such passes to commute to and from work.

## **ARTICLE XXII: PRE-PAID LEGAL PLAN**

### **Section A:**

Starting in Fiscal Year 2015, DCPS shall make a monthly contribution of five dollars (\$5.00) for each bargaining unit member toward a pre-paid legal services plan. DCPS shall make monthly contributions directly to the designated provider of the legal services program.

## **Section B:**

The plan shall be contracted for by the Union subject to a competitive bidding process where bidders are evaluated and selected by the Union. DCPS may present a proposed contract which shall be evaluated on the same bases as other bidders. The contract shall provide that DCPS will be held harmless from any liability arising out of the implementation and administration of the plan by the benefit provider, that the benefit provider will supply utilization statistics to DCPS and the Union upon request for each year of the contract, and that the benefit provider shall bear all administrative costs.

## **Section C:**

The parties shall meet to develop procedures to implement the legal plan which shall be carried out through bidding upon the benefit provider. The procedures shall include an enrollment process.

DCPS shall only be required to communicate with the Union to resolve any disputes that may arise in the administration of this Article.

## **ARTICLE XXIII: UNION REPRESENTATION**

### **Section A: Number of Representatives**

1. One (1) Steward per work site, where there are members of the bargaining unit(s) covered by this Agreement, shall be recognized.
2. There shall be one (1) Chief Steward for each bargaining unit.
3. Stewards shall be designated by the Union and shall be recognized as employee representatives. The names of employees selected as Stewards and the name of other Union representatives who may represent employees shall be certified to the Office of Labor Relations and Collective Bargaining and DCPS' Labor Management and Employee Relations by the Union. The Union shall ensure that the certification to Labor Management and Employee Relations of authorized Union representatives is current at all times. Only those Stewards and other Union representatives, who have been certified, to Labor Management and Employee Relations, in writing, shall be recognized as authorized employee representatives. Stewards shall be employees of the bargaining unit of Local 2921 who have been employed by the DCPS for at least one year.

## **Section B: Designation of Representatives**

1. The Union shall provide Management in writing with a complete list of all Union Officers and Stewards. It shall be the responsibility of the Union to notify Management of any changes in the roster of Union Officers and Stewards.
2. Changes to the list of Union Officers and Stewards normally will be submitted to the Agency's Labor Liaison or other designated management official at least two (2) work days prior to the assumption of representational responsibilities by any new officers or stewards. If a union official/representative is not on the list of designated representatives and is needed prior to the Union providing Management with the required two (2) days' notice, the Union President shall notify the Agency head or his or her designee by phone or facsimile before the official will be recognized, absent exigent circumstances. The Agency will not recognize any official/representative who is not listed as required or for whom notification was not provided in accordance with this Section.

## **Section C: Advance Notice Required When Requesting Official Time**

1. Representatives of the Union will be granted reasonable amounts of official time to carry out their representational duties in accordance with the provisions of this Article.
2. Official time for all Union representatives must be requested and approved in advance consistent with workload requirements except when exceptional circumstances do not allow for advance approval.

## **Section D: Requests for Official Time**

Stewards are authorized to perform and discharge the duties and responsibilities of their position as it relates to representing the employees of the Unit. Requests by Stewards to meet with employees or requests by bargaining unit employees to meet with Stewards shall not require prior explanation to the supervisor of the problem(s) involved other than to identify the area to be visited, and the general nature of the Union representational matter(s). Union representatives shall obtain advance permission (by submitting an Official Time Form or Leave Request) from their immediate supervisor or their immediate supervisor's designee when leaving work to transact permissible labor-management business (as defined by this Agreement) during work hours. The Union representative shall provide sufficient information on the "Official Time Form" or Leave Request to permit the supervisor to grant or deny the request. If the request for Official Time/Leave is denied, the Union representative will be informed at that time when he or she will be permitted to leave. If the immediate supervisor is not available, permission will be requested from the next higher level of supervision.

## **Section E: Advance Notification When Visiting Work Areas**

Union representatives will provide the appropriate supervisors with reasonable advanced notice of his or her desire to speak with employees in a particular work area. Upon entering a work area other than his or her own, the Union representative shall immediately advise the appropriate supervisor of his or her presence and the name(s) of the employee(s) he or she desires to visit. In the event the Union representative wishes to visit a work area but not meet with a bargaining unit member, he or she must also notify the appropriate supervisor upon arrival.

## **Section F: Official Time for Representational Activities**

For the purpose of this Article, “representational functions” means those authorized activities undertaken by bargaining unit employee representatives on behalf of other employees or the Union pursuant to representational rights under the terms of this Agreement.

## **Section G: National Representatives**

Management recognizes that accredited National Representatives may need access to the premises at respective agencies during working hours to conduct Union business. When access to agency premises is required by National Representative(s), reasonable advance notification must be submitted to and prior approval received from the Labor Liaison. The Labor Liaison will consult with and ensure that the appropriate supervisor of the facility to be visited is aware of the date and time of the Union National Representative’s visit.

## **Section H:**

Management will not prevent Union representatives from representing employees at reasonable times consistent with the provisions of this Agreement. The Union and employees recognize that workload and scheduling considerations will not always allow for the immediate release of employees from their assignments. However, the Agency agrees that such permission for release shall not be unreasonably delayed or denied.

## **Section I:**

Stewards assigned tours of duty other than day shift and scheduled days off shall have their assigned tour of duty and scheduled day(s) off (if applicable) changed to coincide with the time of a grievance hearing. However, no overtime or other form of compensation shall be allowed for attendance at such meeting.

## **Section J:**

Where employees are not represented by the union with exclusive recognition for the unit, a representative of the exclusive labor organization must be given an opportunity to be present at any meeting held to resolve the grievance.

## **ARTICLE XXIV: CONFORMITY TO LAW-SAVINGS CLAUSE**

### **Section A:**

If any provision of this Agreement is or shall at any time be contrary to law, then such provision shall not be applicable or performed or engaged and substitute language, if any, shall be subject to negotiation between the parties.

### **Section B:**

In the event that any provision of this Agreement is or shall at any time be contrary to law, all other provisions of this Agreement shall continue in effect.

## **Section C:**

With respect to compensation articles **only**, the terms of this contract supersede any subsequently enacted D.C. laws, District of Columbia Municipal Regulations, or departmental rules concerning compensation covered herein.

### **Section B: Entire Agreement**

The Agreement represents the complete collective bargaining and full agreement by the parties in respect to rates of pay, wages, hours of employment or other conditions of employment which shall prevail during the term hereof and any matters or subjects not herein covered have been satisfactorily adjusted, compromised or waived by the parties for the life of this agreement.

### **Section C: Changes or Amendments**

1. The parties agree that neither shall be obligated to meet and negotiate with respect to any subject or matter whether referred to herein or not. Even though the subject or matter may not have been in the contemplation or knowledge of either or both of the parties at the time they negotiated or signed this Agreement. The terms and conditions of this Agreement may be altered, changed, added to, deleted from, or modified only through the voluntarily mutual intent of the parties in a written amendment executed in the same manner as this Agreement.
2. DCPS and Union acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and submit proposals with respect to any subject or matter not prohibited by law from the area of collective bargaining, and that all of the agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

## **ARTICLE XXVI: DURATION AND FINALITY OF AGREEMENT**

### **Section A:**

This Agreement shall be implemented as provided herein subject to the requirements of section 1715 of the Comprehensive Merit Personnel Act (CMPA) (Section 1-617, D.C. Code, 2001 Edition). This Agreement shall become effective as of the date of District of Columbia City Council approval. If certain provisions are found to be contrary to applicable law, the parties shall meet within thirty (30) days to negotiate legally-constituted replacement article(s) for the offensive provision(s). The Agreement shall remain in full force and effect during the period of negotiations and until a new contract takes effect.

**Section B:**

The parties acknowledge that this Agreement represents the result of negotiations during which both parties had the unlimited right and opportunity to make demands and proposals with respect to any mandatory negotiable subject matter.

**Section C:**

It is agreed that any request by either party for further negotiations due to changes in legislation, rules or regulations affecting any Article in this agreement shall be for the purpose of amending, modifying or supplementing provisions agreed to and included in this Agreement. If all parties mutually agree in writing during the term(s) of the Agreement that modification of the Agreement is necessary, they may modify it.

**Section D:**

All terms and conditions of employment not covered by the terms of this Agreement shall continue to be subject to DCPS' direction and control. However, when a DCPS order or regulation directly impacts on the conditions of employment of unit members, such impact shall be a proper subject of negotiations.

**Section E:**

This Agreement shall remain in full force and effect through September 30, 2017.

## MEMORANDUM OF UNDERSTANDING

Notwithstanding any prior agreement, effective as of the date of the last required signature to this Memorandum of Understanding and unless modified by a duly executed subsequent agreement, the District of Columbia Public Schools (DCPS) and the American Federation of State, County, and Municipal Employees Local 2921 (AFSCME), collectively "the parties," hereby agree that the following terms and conditions shall also govern their relationship.

### 1. Transfers

#### a. Voluntary Transfer

- i. The parties agree that employees may not transfer from school to school without written consent of the principal of the receiving school. Otherwise, the parties agree that employees must submit an application for each vacant position and participate in the interview process.
- ii. Employees who voluntarily transfer to another school shall maintain their system-wide seniority upon transfer.

#### b. Involuntary Transfers

- i. DCPS agrees that an employee who is involuntarily transferred shall be given at least ten (10) work days advance notice before the transfer is effective, except in those cases where the transfer must be made in less than ten (10) work days and then DCPS shall give the employee notice as soon as possible.
- ii. DCPS further agrees that the notice of transfer sent to the impacted employee shall contain the reason(s) for the transfer.
- iii. Involuntary transfers shall not be made for disciplinary reasons.
- iv. An employee who is involuntarily transferred shall carry forward his/her system-wide seniority upon transfer.

### 2. Work Force Changes

- a. The parties agree that an employee's status change is a proper subject for discussion at the regular quarterly Labor-Management Meetings.

### 3. Overtime

- a. The parties agree that employees will be paid time and one-half (1.5) of their regular hourly rate of pay for all work performed in excess of eight (8) hours in any work day or forty (40) work hours in any work week.

### 4. Educational Aides

- a. The parties agree that Educational Aides (formerly referred to as Paraprofessionals) may not be used as Substitute Teachers in a classroom.
- b. Utilizing agreed procedures, the parties agree to convene a Joint Study Committee to study the duties of paraprofessionals (educational aides).

5. Night Differentials

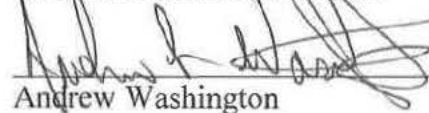

- a. Night differentials shall be paid for all regularly scheduled hours of work which are worked between 6 p.m. and 6 a.m.

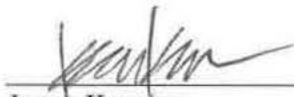

This MOU shall be attached as an addendum to the Collective Bargaining Agreement between the parties effective October 1, 2013 - September 30, 2017 and shall remain in effect for the life of such contract. It shall expire automatically upon the expiration of that contract, unless the parties expressly agree in writing to extend it for any further period agreed upon between them.
